

3. Medical Treatment

(1) Medical institutions

If you become sick or injured, you can get medical treatment at following medical institutions. Please note that the consultation hours and clinical departments vary depending on the hospital and clinic.

When you take medical treatment, show your medical insurance card or My Number (Maina) Insurance Card and hospital registration card (if you have) at the reception desk. In addition, in case of the first medical examination, a patient who is introduced by a clinic/hospital has a priority to see a doctor.

(2) Emergency medical services

In case you suddenly become sick at night or on a holiday, you can get medical treatment at following medical institutions. However, the following institutions cannot offer sufficient examination or prescribe medicines. Therefore, you need to consult your home doctor or a specialist later. Please visit a hospital during daytime on weekdays when a specialist can examine as possible. In addition, you are encouraged to take care of yourself and have a family doctor.
