

5. Tax

◆ Classification of taxes

In Japan, taxes are roughly divided into 2 types; national tax which is payable to national government and local tax which is payable to municipality. Income tax is classified in national tax and residence tax or automobile tax are classified in local tax, for instance.

The taxes paid to Nagahama City are as follows.

Tax classification	Taxpayer	Remarks
Municipal and prefectural tax (Residence tax) (<i>Shi-kenmin Zei</i>) (<i>Juumin Zei</i>)	Those who registered their residency in Nagahama City as of January 1st and had certain level of income in the previous year	<ul style="list-style-type: none"> Tax is calculated based on the income of previous year. Income declaration form must be submitted in the specific period (between the middle of Feb. and the middle of Mar.) every year. However, salaried worker who have finished year-end adjustment or filed income tax return is not required to submit it.
Corporate tax (<i>Houjin Shimin Zei</i>)	Corporations which have an office in Nagahama City	<ul style="list-style-type: none"> Please file a declaration form within 2 months after the ends of fiscal year and pay the tax.
Property tax (<i>Kotei Shisan Zei</i>)	Those who own land, houses, buildings or any other depreciable assets as of January 1st * Depreciable assets: Equipment or machines used by corporations or persons who operate a factory or store in order to perform business (including agricultural one)	<ul style="list-style-type: none"> The taxable amount after the next year may change when a house is demolished, or the use of a building is changed from residence to business (store or office), or from business to residence. In such cases, please notify with Nagahama city promptly. The owners of depreciable assets need to declare by January 31st.
City planning tax (<i>Toshi Keikaku Zei</i>)	Those who own land, houses or buildings in the urbanization area in the city as of January 1st.	<ul style="list-style-type: none"> Collected together with Property tax.
Light vehicle tax (<i>Kei Jidousha Zei</i>) [Type Allocation]	Those who own motorcycle, light vehicle or special compact vehicle (including agricultural one) as of April 1st.	<ul style="list-style-type: none"> Be sure to report to the relevant authorities when you sell or disuse your vehicle. If you own a normal class vehicle, a normal vehicle tax- <i>Futsu Jidousha-zei</i> (type allocation) is claimed by the prefecture.
Cigarette tax (<i>Tabako Zei</i>)	Manufactured tobacco manufacturers, specified distributors, wholesale distributors. * City tobacco tax is already included in the retail price of tobacco, so it is the tobacco consumer who actually bears the tax.	Please buy them in Nagahama City.
Spa tax (<i>Nyuutou Zei</i>)	Spa tax is levied on a customer who uses hot spring facility.	<ul style="list-style-type: none"> Overnight: 150 yen per day per a customer Day use: 75 yen per day per a customer

(1) Municipal and prefectural tax (Residence tax) – *Shikenmin Zei (Juuminzei)*

- Residence tax is levied on the income of the previous year (Jan. 1st - Dec. 31st) which is payable to municipality where your residency is registered as of January 1st.

(2) Receipt of declaration of municipal and prefectural tax

- Regarding the receipt of declarations, it will be held from the mid-February to the middle of March every year at the Tax Division, Hokubu Godou Chosha and each Citizen Service counter (former branch office). We will make an information of schedule, venue etc. for details etc.

(3) Property tax · City planning tax –*Kotei Shisan Zei* · *Toshi Keikaku Zei*

- Property tax is a tax levied on individuals who own land, houses, buildings and other depreciable assets (collectively called “fixed assets”) as of January 1 of each year, which is payable to municipalities where such fixed assets are located.
- City planning tax is a tax levied on the owners of land, houses and buildings located in the urbanization area according to the City Planning Act. This tax is collected together with the Property tax.

[Inspection of land, housing and building prices]

- Taxpayers of the property tax may inspect the estimate values of the land, houses and buildings other than their ownership. (However, the owner’s name and tax amount are not available.) The period of such inspections is from April 1st to the due date of the first period of tax payment (ends of May). (Free of charge)

(4) Light vehicle tax –*Kei Jidousha Zei*

- Light vehicle tax is imposed on individuals who are registered as the owners of motorized bicycles, light vehicles, motorcycles, or compact special vehicles as of April 1. Please note that if the procedure for disusing vehicles is not completed before April 1, you will be levied the tax.
- Those who have a disability may be exempt from the light vehicle tax (type allocation). Please make inquiries for more details.
