

8. Medical Welfare Programs

(1)Welfare medical assistance – *Fukushi Iryouhi Josei*

Welfare medical assistance is a subsidy system which Nagahama city issues a *Fukushi Iryouhi Jukyu-ken* (Certificate to receive medical care benefits), and subsidize a co-payment for medical expenses of medical expenses for eligible people.

◆ Eligibility

Classification	Possible recipient
Infants	From Newborn baby to Preschooler (Children before the first March 31 after the day of reaching 6 years old)
Children	Children from the first grade of elementary school to the high school generation (including compulsory education school) (Children up to the first March 31st after reaching the age of 18)
Those with severe disabilities	Those who have a physical disability certificate- <i>Shintai Shougaisha Techou</i> (grade 1~3/a portion of grade 4), Rehabilitation certificate - <i>Ryouiku Techou</i> (A1/A2) or fall under the system of <i>Tokubetsu Jidou Fuyou Teate</i> (Special Child allowance) grade 1
Single parent household	Single parent who has been supporting a child aged under 18, and a child aged under 18 of single-parent household or Child aged under 18 who has no parents
Those aged between 65 and 74	Those aged between 65 and 74 whose household is exempt from municipal tax in accordance with the Local Tax Act. (when yourself, your spouse, and dependents are exempt from municipal taxes)

*In addition, there is also the subsidy system for widows who live alone and elderly widows.

*There is an income limit for subsidizing each welfare medical assistance other than infants and children.

◆ Contents of subsidy

A portion of your burden charge of medical expenses which is covered by insurance will be subsidized.

- The certificate to receive medical care benefit-*Fukushi Iryouhi Jukyuken* will be issued upon application. Your burden charge of medical expenses will be free if you present the certificate as well as My Number insurance card (*Maina-hokensho*) at the medical institution which is located in Shiga prefecture. (However, an elderly widow aged between 65 and 74 who lives alone needs to bear 10% or 20% of the medical expenses.)
- If you undergo medical treatment at a hospital outside of Shiga Prefecture, you must pay the full medical expense temporality. In case of consultation outside Shiga prefecture, we refund it by application after making the payment of partial contribution at medical institution,
- The medical assistance system does not cover medical expenses which is not covered by insurance, medical expenses for traffic accidents or other accidents caused by a third party. In addition, *Kougaku Ryouyouhi* (system for expensive medical expenses) or additional benefits are excluded from the amount of medical assistance.

◆ Required documents to apply for a medical assistance system

- A document that can verify your health insurance eligibility (either a certificate of eligibility, a notice of eligibility information, or a health insurance card)
- Physical disability certificate-*Shougaisha Techou* or Rehabilitation certificate-*Ryouiku Techou* if you apply for the severe disability person welfare medical care system.
- Only those who cannot confirm their income in Nagahama City due to moving in etc. will need an income tax certificate (an income tax certificate issued at their former address, etc. (with the tax amount specified). Please contact the department in charge for the required certification year.)

- About welfare medical care system for single-parent home, please ask Children and Families Division beforehand.
- In addition, other documents may be required depending on each classification

◆ When you become ineligible

Regardless of the validity period, *Fukushi Iryouhi Jukyuken* must be returned promptly when you lose your eligibility. In the case that you use it after losing your eligibility, you will be required to return the subsidy of medical fee, etc. that you received to the city.
