

# New Coronavirus Vaccine

## Vaccination Information

### Vaccination system for the Omicron strain will change from **May 8th, 2023.**

Check out the flow chart below to see how often and when you can get the vaccination.

#### ① Conventional strain vaccine can be vaccinated

We have a limited number of practitioners and hospitals that can administer the conventional strain vaccine, so please check the website. Vaccination coupons have been sent. If you have lost your coupon, please apply for reissuance of the vaccination coupon by one of the following methods

#### Application for Reissuance of Vaccination coupon (For those who have lost their vaccination coupons or who have moved to Nagahama City)

②

**You can vaccinate twice in total, once in spring and summer (from May 8 to August) and once in autumn and winter (after September).**

Vaccination coupon

- Vaccination coupons for spring and summer are automatically sent to those over the age of 65.
- For those with underlying diseases, medical workers, and staff at facilities for the elderly, etc., it is necessary to apply for a page-4 Omicron strain vaccination coupon issuance.
- ※If you have a vaccination coupon that has been sent before, you can use it for spring and summer vaccinations, so we will not send it again.
- ※The vaccination interval is 3 months from the last time. Autumn/Winter vaccination coupons will be sent automatically when the time comes.

Place where vaccination is possible

- Where there is a circle in the yellow column on page 3 of “Individual vaccination site”.
- On page 4, there is a circle in the yellow column of the hospital/group vaccination (Nagahama Hospital is under age 15 ).
- ※The spring/summer vaccine is an Omicron strain vaccine. The type of vaccine for fall /winter is under consideration in the government.

③

**You can vaccinate once in autumn and winter (after September)**

You cannot vaccinate from May 8th to the end of August.

Vaccination coupon

- Autumn/Winter Vaccination coupons will be sent automatically when the time to vaccinate comes.
- ※If you have an vaccination coupon that was previously sent to you, you can use it for autumn /winter inoculations, so please keep it until then.
- ※The type of vaccine is under consideration by the government.

④

**You can vaccinate with conventional pediatric vaccines.**

Vaccination coupon

- Vaccination coupons have been sent. If you have lost your coupon, please follow the instructions on page 1 to apply for a reissuance of your coupon.

Place where vaccination is possible

- We have only a limited number of medical practitioners and hospitals that can administer conventional strain vaccines, so please check the website.

City website

⑤

**You can vaccinate up to twice in spring and summer (March to August) and 1 time in autumn and winter (after September) for a total of 3 times.**

Vaccination coupon

- One dose of spring/summer vaccination coupon will be sent automatically.
- For the 2nd spring/summer vaccination, it is necessary to apply for the issuance of a vaccination coupon for the Omicron strain on page 4.
- Autumn/Winter vaccination coupons will be sent automatically when the time to vaccinate comes.
- Each vaccination interval must be 3 months. (If you don't take the 1st spring/summer vaccination by the end of May, you won't be able to take the 2nd.)
- ※If you have a vaccination coupon that was previously sent to you, you can use it for spring /summer vaccinations, so we will not send it again.

Place where vaccination is possible

- Where there is a circle in the green column of the individual vaccination sites on page 3.
- Where there is a circle in the green column of the hospital on page 4.
- ※There are currently no plans for group vaccinations.
- ※The spring/summer vaccine is an Omicron strain vaccine. The type of vaccine for fall /winter is under consideration in the government.

⑥

**You can vaccinate twice in total, once in spring /summer (March to August) and once in autumn winter (after September).**

## Reissue of Omicron stock correspondence vaccination coupon

If any of the following applies to you, you need to apply for issuance of a vaccination coupon.

- Healthcare workers aged 18 to 64 and staff at facilities for the elderly
- People aged 5 and over with underlying diseases, etc. (Please check City website for eligible underlying diseases, etc.)

※If you have reported that you have met the above conditions, we will automatically send you a vaccination coupon.

In addition, it will be automatically sent to those who have a mental disability health and welfare notebook or a rehabilitation notebook.

If you do not know whether you have applied in the past, there is no problem in applying again. (Only one copy will be sent.)
