- Parents, please do not take your eyes off the children under any circumstances.
- Before swimming, be sure to take a shower and do some preparatory exercises before entering the water.
- Follow the instructions as you will take a break at a time for health management and accident prevention.
- If you damage equipment in the facility or lose the locker key, you will be compensated for the damage.
- Please be careful about possessions such as valuables. We will not be liable in the event of theft.
- Depending on the weather and lightning, surveillance personnel and staff may limit the incoming water.
- Please cooperate with the beautification of the facilities such as the separation of trash
- Be sure to follow the instructions of the staff or supervisors.

In case that if you cannot follow, you may be asked to leave from the facility.

Requests to parents

When children look at the pool in front of them, the mentality that they want to get into the pool works, which leads **to lost children and accidents.**

For small children such as infants, we would appreciate you **watch closely and supervise them by the parents' eyes.**
